SUBJECT : Request for Information on Alleged Israeli Radio Arabic Broadcast Concerning Libya

REF :

On December 27, Dr. Ali Attigah, Undersecretary, Ministry of Planning and Development, gave the following information to Henry Heuser and Paul Geren in the course of their call to review the situation on American Advisors to the Government of Libya.

A friend of Dr. Attigah's, whom he did not choose to identify by name, heard a recent broadcast of the Israeli Radio Arabic service in which it was reported the United States had discontinued its aid program to Libya, but the Government of Libya was pressing USG to re-establish the program and grant additional aid to Libya.

From the Department and Embassy Tel Aviv, the Embassy wishes to learn the text of this broadcast, if it is available, and any information concerning its source.
